12 16 candle power lamps 4.60 month	

All parties are requested to turn their lights out after business hours. In case they fail to do it the current will be cut off from them. Remember it is no benefit to you to let your lights burn after business hours, and by you turning them off justly helps the Electric Light Co. These rules will be strictly enforced from now on.

The above rates are as low as can be made and run an Electric Light Plant, so you must turn your lights off after business hours. Respectfully,

Lancaster Electric Light Co.

Heart Strength

Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Positively not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, retching, suffocating heart distress. Dr. Shoop's Restorative—this powerful preservative—was specifically directed to those weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

Dr. Shoop's Restorative

This face cleared off quick by "D. D. D."

Mrs. J. M. Daniels, of Winchester, Ky., says: "For fifteen years I had sores on my face. They got worse all the time, until I was ashamed to go out on the street. When I did I had to wear a veil. My face looked and burned as if I thought I would go crazy. I had tried every remedy I could get hold of. I thought I never could get rid of it. One day a friend recommended your remedy. I had tried many but none made very much difference. The itching and burning stopped right away, and soon my face began to clear. It was slow work, but I almost got discouraged, but I persisted, and I am almost perfectly cured. It was before I got the disease. I had to use a great many bottles, but having my skin cured is worth ten times as much as I spent. I thank you and hope you all kinds of success."

We hereby certify that full particulars shown us regarding this case conclusively prove that every taint of this terrible disease was permanently cleared away by the wonderful D. D. D. Prescription.

FOLEY'S HONEY and TAR CURES

Coughs and Colds PREVENTS Pneumonia and Consumption

Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs and prevents serious results from a cold.

There is no danger of Pneumonia, Consumption or other serious lung trouble if **Foley's Honey and Tar** is taken, as it will cure the most stubborn coughs—the dangerous kind that settles on the lungs and may develop into pneumonia over night.

If you have a cough or cold do not risk Pneumonia when **Foley's Honey and Tar** will cure you quickly and strengthen your lungs.

Remember the name — **Foley's Honey and Tar**—and refuse any substitute offered. Do not take chances with some unknown preparation that costs you the same when you can get **Foley's Honey and Tar**, that costs you no more and is safe and certain in results. Contains no opiates.

Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of **Foley's Honey and Tar**, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50c size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.
